Resource Training & Solutions has partnered with SafeSchools to bring you their award-winning online staff training and compliance management system for school employees at a special price!

A library of 100% school-focused courses matched with a state of the art compliance management system make it easy to efficiently deliver and document training and policy acceptance for every employee in your district.

Save Time

- Administer essential safety training to all staff online.
- Deliver 200 expert-authored, 100% school-focused courses, written by the nation's leading safety authorities.
- Staff complete courses online by the dates you assign or receive automatic email reminders.
- Real-time results are automatically tracked by individual staff, building, or district progress and delivered to your inbox.
- A Policy Builder tool allows you to upload, assign, and track district policies all through the same convenient system.

Save Money

- Cut Property and Liability costs.
- Decrease Workers' Compensation claims and insurance premiums.
- Reduce overtime expenses and in-service training time.

Save Lives

- Prepare staff on critical topics including Bloodborne Pathogens; Sexual Misconduct; Slips, Trips, & Falls; Bullying; School Violence; Diversity; Youth Suicide and more.
- Prevent costly lawsuits and legal expenses.
