

Nelson Auto Center and the Minnesota Service Cooperatives offer you a flexible vehicle purchasing program that will meet your needs!

Benefits of the MSC vehicle program:

- **Buy what you need, when you need it, discounted all year:** This program grants you flexibility to purchase the brand and model of vehicles you want. You receive discounted pricing anytime throughout the year. All pricing is based on dealer invoice. Discounts can be as high as \$6,000 below dealer invoice!
- **Local Delivery:** Nelson Auto Center can arrange for the vehicle to be shipped to your local dealership for dealer preparation and pick-up (pending agreement with your local dealership).
 - Other delivery options include: pick-up at Nelson's in Fergus Falls, MN or delivery to your location for a nominal charge.
- **Customer Service:** Nelson Auto Center is well-known for their customer service and support. Gerry and his team will work with you to find the type of vehicle that will meet your needs and provide the greatest savings!

Municipal leases are available!
Spread the cost of the vehicle over
3-5 years and purchase the vehicle for
\$1 at the end of the lease!

Contact Gerry Worner for more information about the discounts available or to receive a quote.
