FROM THE EXECUTIVE DIRECTOR

Resource is proud to give long overdue recognition to our service region's educational support staff - paraprofessionals, clerical personnel, school bus drivers, custodians, food service personnel, buildings and grounds personnel, health and safety staff, technicians, custodians, school nurses and all other support staff.

They are an integral part of our school districts. They promote student achievement, ensure student safety and contribute to the establishment and promotion of a positive instructional environment.

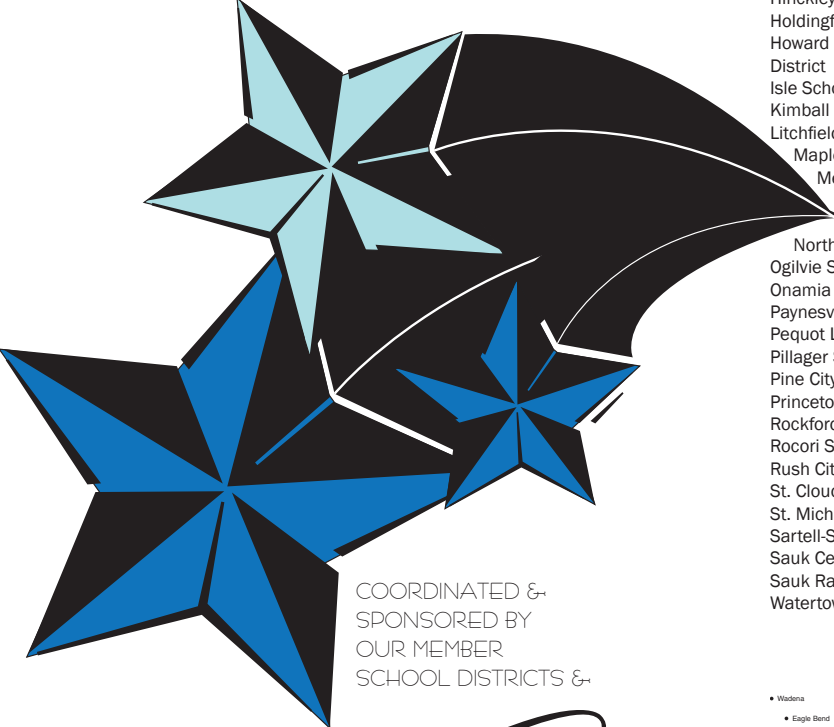

SINCERELY,

Robert C. Cavanna
