

Online Safety Training and Compliance System for Minnesota Schools

Reduce losses with 100% school-focused courses by expert authors!

Take your staff training online with SafeSchools, the award-winning safety training and compliance management system specifically designed for school employees!

Save Time.

- Administer essential safety training to all staff online.
- Deliver 150 expert-authored, 100% school-focused courses, written by the nation's leading safety authorities.
- Prepare staff on critical topics including **Bloodborne Pathogens; Sexual Misconduct; Slips, Trips, and Falls; Cyberbullying; School Violence; Diversity and more.**
- Staff complete courses online by the dates you assign or receive automatic email reminders.
- Real-time results are automatically recorded and tracked by individual staff, building, or district level progress and conveniently delivered to your inbox via email.
- **NEW! Policy Builder** allows you to upload, assign, and track your district policies alongside your safety training.
- Add **SchoolMSDS** to your SafeSchools subscription and manage your MSDS sheets online too.

Save Money.

- Cut **Property and Liability** costs.
- Decrease **Workers' Compensation** claims.
- Reduce **overtime expenses** and in-service training time.
- Provide a **secure learning environment** for staff and students alike!

"I really like using SafeSchools because it was easy to set up and our staff loved the idea of doing training on their terms!"

I have had only POSITIVE RESPONSES!"

- Gail Ulrick / Litchfield Public Schools
